PROFILE

Ambitious and motivated Broadcast, Television, and Videography student at Humber College, seeking to leverage my skills in content creation, live studio production, and video editing. Bilingual in English and French, I thrive in high-pressure environments, excelling in teamwork, communication, and organization. Passionate about creating high-quality media and eager to contribute to professional broadcast and video projects.

WORK EXPERIENCE

Bartender/Line Cook

Keg Steakhouse & Bar 2019 - Present

- Managed food and drink orders in a high-pressure, fast-paced environment, ensuring top-quality service.
- Collaborated with team members to ensure timely and accurate service during peak hours.
- Leveraged communication skills to resolve customer issues and maintain satisfaction.

Line/Prep Cook

Frank's Organic Garden 2020-2021

- Assisted in food preparation and maintained strict safety and quality standards.
- Worked in a team to ensure efficient service, especially during high-demand periods.

Sandwich Artist

Subway Restaurants 2017-2019

- Prepared orders efficiently while maintaining a clean and organized workspace.
- Provided excellent customer service and managed inventory for daily operations.

LEADERSHIP & VOLUNTEER EXPERIENCE

- Rookie Ref of the Year, Aurora Soccer Club (2016)
- Tournament Convener, Richmond Hill Soccer Club
- Team Captain, U14-U15 IEM Basketball
- Rep Captain, U16 Richmond Hill Soccer Club

RELEVANT COURSES

Audio Production 1 & 2

- Developed high-quality audio content for various media formats, including television, radio, and online streaming.
- Learned advanced techniques in recording sound on location and in-studio settings, using professional audio equipment such as mixers, microphones, and digital recorders.
- Gained hands-on experience in post-production, applying sound effects, music, and voiceovers, and ensuring balanced audio levels using software like Pro Tools and Adobe Audition.
- Produced audio segments for short films and broadcasts, including dialogue editing, sound mixing, and creating soundscapes to enhance storytelling.

Editing Production 1 & 2

- Mastered the principles of visual storytelling by applying techniques such as cutting, sequencing, transitions, and pacing to maintain viewer engagement.
- Worked with Adobe Premiere Pro and Final Cut Pro to edit video footage, add effects, color correct, and ensure smooth transitions between shots.
- Completed projects that involved post-production workflows, including syncing audio, applying color grading, and exporting in different formats for broadcast and online platforms.
- Edited content for Humber sports and esports events, working on multi-camera shoots and ensuring quick turnarounds for live-to-tape production.

Live Studio Production 1 & 2

- Worked in professional-grade TV studios, learning the roles of producers, directors, camera operators, and technical crew members.
- Directed and switched live broadcasts, including news segments, talk shows, and sports events, ensuring smooth transitions and on-time cueing.
- Operated studio cameras, lighting equipment, and teleprompters during live shoots, maintaining technical precision under pressure.
- Gained experience with live-streaming equipment and techniques, delivering real-time content for online platforms and ensuring professional broadcast quality.

Mobile Studio Production

- Developed skills in setting up and operating mobile production units for off-site broadcasting of live events, including Humber varsity sports and esports tournaments.
- Managed the technical and logistical aspects of live event production, such as coordinating camera setups, audio feeds, and network connections.
- Learned troubleshooting techniques for common production challenges in mobile environments, ensuring successful broadcast under varying conditions.
- Worked in a fast-paced, high-pressure environment to deliver live content to audiences in real time, gaining experience in managing multiple camera feeds, switching, and directing outside traditional studio settings.

JEREMY JODHAN

DEAR, HIRING MANAGER

Interest in Media and Content Creation Roles

I am writing to express my strong interest in joining your team as a student intern. With my background in broadcast and television studies at Humber College and hands-on experience in content creation and bilingual communication, I am confident that my skills align with the demands of your media company.

Professional Experience and Skills

I am employed at The Keg Steakhouse & Bar as a Bartender and Line Cook, where I have sharpened my teamwork, communication, and problem-solving skills in a fast-paced environment. Additionally, I have developed an understanding of balancing competing priorities, which is crucial in the media industry. Through my academic career, I have gained expertise in video production, live studio directing, and digital content creation—skills I aim to bring to dynamic media environments like yours.

Career Goals in Media and E-sports

My career goal is to leverage my videography and live studio directing skills with forward-thinking organizations such as TSN, CTV News, Breakfast Television, OverActive Media, or Activision Blizzard's media division. I have a particular passion for the gaming and broadcast sectors, and I'm eager to contribute to projects that bring exciting content to life, whether in e-sports, live broadcasts, or high-impact news production.

Bilingual Communication and Adaptability

I am fluent in French and English, allowing me to communicate effectively in bilingual environments and serve a broader audience. I pride myself on my adaptability, attention to detail, and ability to stay calm under pressure, which would greatly benefit media production. My experience and drive to expand my portfolio and network constantly will allow me to make valuable contributions to your team.

Conclusion and Availability

I would love to discuss how my skills and experiences can contribute to your company's success. My resume is attached, and feel free to contact me at your convenience. I look forward to the possibility of collaborating with your esteemed organization.

SINCERELY,

JEREMY JODHAN
